Hello Melanie,

In addition to being back in school, I am reaching out to you today, to hopefully work together to bring the students of Holt Elementary a little fun. I want to personally thank you for your patience in my late communication. It has taken until now, but nothing could make me happier than to let you know that Franz has an updated version of our tour video, with a resolution quality that should suffice on any recipient equipment. Since the Oregon and Washington School Districts could not give us a definitive answer as to what to expect this school year, we cannot offer live tours through our facility. That said, we can offer the following to "first timers" (students not yet exposed to a Franz tour):

- A virtual tour through a Zoom Meeting. Each tour will be approximately 30-35 minutes in duration depending on the number of students. An 8-10 minute video will take place after a short introduction, followed by a fun, interactive Q and A session.
- Bakers' hats and a voucher per participating student and teacher, will be sent to your school. Vouchers are good for 1 free Franz item, such as a loaf of bread or package of cookies, at our Springfield Franz Outlet Store.

All virtual tours can be scheduled for any day of the week, September through mid-June. We operate on a first scheduled first serve basis. When the tour calendar is filled, there will be no more tours for the school year. I look forward to your communication and helping you find a date and time that works for you. Please give a couple of options as the calendar is filling up quickly. All of us here at Franz Bakery wish you, your students, and your colleagues a Franztastic weekend Melanie!
