At this time it will not impact us. We do not make a change prior to Oregon Health Authority making a change. At this time we are staying with the ten days.

Thanks,
Dawn

Hi Dawn,

With the new CDC recommended 5-day quarantine, do you know an approximate timeline for when that will trickle down from state to county to 4J (and if that changes test-to-stay only testing students once)?

I'm guessing there's going to be a bunch of close contact situations stemming from family gatherings over the break, and I'm pretty sure parents will ask about this.

Thanks,

Allan
