**ABOUT THE EUGENE EDUCATION FOUNDATION:**

The staff and board of the Eugene Education Foundation wish you a wonderful school year. EEF is 4J's partner in community outreach and fundraising, and it is our mission to promote educational excellence and opportunities for all students across 4J. It is our honor to work alongside you, and we are thrilled to provide grants to classrooms in every single 4J school and to many critical district-wide programs.

When you donate to EEF, you are participating in a community-wide effort to improve the educational experience for all of our kids. We're looking forward to another record-breaking year of fundraising, and to supporting your exceptional work in the classroom. Thank you for your hard work, and for considering donating to EEF through the United Way!

**ABOUT UNITED WAY:**

United Way has deepened their focus on working upstream and adopted the vision of ensuring children's success and building more just and resilient communities. They support the work that's taking place in our schools by engaging our community around the importance of these four outcomes:

- Making sure children get to kindergarten ready and prepared to learn
- Kids are successful in elementary school and reaching their third grade reading benchmarks
- Helping create a pathway to productivity
- Ensuring families are healthy and stable

It takes all of us working together toward a common goal to move the dial and make our community thrive.
