Hi Teachers,

The Friendship Day buddy activity is in your box. Please have your students complete the All About Me activity. Make sure you can read their name in the box at the top. Remind your big buddies that their little buddies might not be readers yet and to use pictures not just words. Little buddies you should be able to use mainly pictures and maybe one word labels so the big buddies can actually tell what the pictures are. To accommodate the students switching to/from online please follow the timeline below.

- Complete All About Me activity AFTER the start of the new term (Monday 1/31) and with enough time to meet and exchange with your buddy teacher.
- Meet with your buddy teacher to match kids up and then exchange papers.
- On Friendship day (Friday 2/11) hand the papers out to your class so they can "get to know" their buddies. Make sure you explain what classroom buddies are because it has been awhile and some kids might not have been here when we did them last.

Buddy assignments are attached. Let me know if you have any questions!

Hi Teachers,

Attached you will find the teacher/classroom you are matched with. Tomorrow I will put the bio sheet in your boxes (see email below for reminder on timeline). Last chance to share any great get to know you type bio sheet that you might have. You have until tomorrow @ 9am to put it in my box or email it to me.

Let me know if you have questions!

Subject: PBIS - Classroom Buddies Kick Off

Hi All,

We are going to start up classroom buddies again. Obviously there are a few things that make this much more difficult this year so we are going to start small and build on as we are able. For the time being we will run buddies like pen pals. We are hoping for some type of interaction between buddies in the future but current COVID protocols and other school logistics are keeping us from these options for the time being. Just to be very clear, buddy classes should not be getting together at this time, not even outside.

Timeline for first activity:

- Before Friday - You will receive an email with your buddy room assignments.
- On Friday - You will get copies of our first simple activity with directions for completing with your class.
- Before Friendship Day (2/11):

- Complete the first activity with your class.
- Meet with your buddy teacher, match up your kids and exchange projects.
- On Friendship Day (2/11) - Classroom teachers deliver the first project from their buddies to their class

Before Friendship Day we will have a plan for our next activity. If you have any questions about buddies please reach out, I'd be happy to chat. Thanks for going with the flow and helping us get buddies started again!
