We have AWESOME news!

The PAHS group is funding our first BIG virtual assembly.

It is called "Extreme Science". The presentation features David Hagerman who was seen on "America's Got Talent"

The assembly will be on January 27th.

(Yes... it is Winter Wonderland Day. It was the only date available until April and figured it would just make our spirit day even better!)

We are doing it in 2 sessions. K/1/2 will begin at 8:30am-9:15am. 3/4/5 will be from 1:15pm-2pm. They will be via Zoom!

Sorry for the late notice, but I needed to jump on the opportunity!

More to come soon!
