Team,

We're continuing to spring forward with plans for the coming school year. I'd like to share another change in our administrator team for 2022–23.

I'm pleased to introduce David Hulbert, who has been hired as principal of Edison Elementary School next year. Dave is coming to us from Springfield Public Schools, where he is currently principal of Maple Elementary School and previously served as principal of Riverbend and then Walterville Elementary School. He started his education career teaching middle and high school math and science, including at Kelly Middle School in the mid-2000s, and also later led early childhood education and elementary math PD for Springfield schools.

Dave will be new to the Edison principal's office but not new to Edison—he's a former Edison parent and a part of the neighborhood community. He has a personal connection to Edison and its community and is excited about returning to the school as its principal. Dave is a student-centered, collaborative leader, committed to the mission of serving every student in their growth and development and serving every family through direct support, clear communication and an inclusive environment. His visionary leadership, excellent communication skills and approachable demeanor will make him a great leader for Edison.

There are some more changes to our team to come this spring. Currently open postings are:

[Director of Middle School Education](#)

[Prevention Services Administrator](#)

[South Eugene High School Assistant Principal](#)

and soon, Spencer Butte Middle School Principal.

Peter Tromba will be leaving 4J and Oregon after many years serving our students, staff and community in a variety of roles, including as principal of Spencer Butte Middle School, Monroe Middle School, North Eugene High School, and Director of Technology. He is moving east to be closer to family, and has accepted a high school principal position in Asheville, North Carolina. He will certainly be missed in Eugene!

Please join me in welcoming Dave to Team Eugene, and wishing Peter the very best in his new role and locale.

Cydney
