We are excited to get started on our Kindness Rocks Project. 🎨  
Attached are the instructions to participate.

Here is a video to show your kids from the student council: <https://youtu.be/5DD0CW7sCk>

- Your grade level rock basket is in front of my classroom. (B5)
- You can paint them anytime you would like! It could also make a great buddy activity!
- Complete your rocks by May 11th, so I can get them sprayed before we put them outside.
- Bring me the painted rocks, left over paints, and pens when you are finished.

Let me know if you would rather not participate, that way I can give the extra rocks to other students. :)

Let me know if you have any questions. ❤️
