⚡ *Holt Bolt Shirts!* ⚡

This year, students have the option to color shirts with fabric markers. They can use as many colors as they would like, and get creative!

To help keep things easy and quick, designs must be a pattern, lines, or full coloring of the bolt.

Each grade level will have one set of 40 fabric markers to share. Shirts will need 24 hours to dry before being worn, so they need to be completed by Wednesday, May 18th to be ready for the event.

[SEE THE VIDEO HERE FOR KID-FRIENDLY INSTRUCTIONS - It would be great if you showed your class before designing.](#)

To make sure shirts are appropriate, we have some shirt "rules":

- You can only color in the BOLT section of the shirt. (No signatures or anything outside the bolt)
- Design must be a pattern, lines, or filled with color.
- Use as many colors as you would like
- Do not color over other markers (it will ruin the markers)
- Be appropriate... this is why we are steering clear from drawings and letters.
- No words, letters, or drawings allowed
- Coloring shirt is optional :)

Use the class set of Bolt pages to make a plan for your shirt.

Do not send shirts home! They stay here until Holt Bolt Day!

Keep them in classrooms until morning of Holt Bolt.

I will have white fabric pens in the staff lunchroom to decorate your purple shirts. :)

Staff shirts will be handed out soon!
