Hello teams,

As we enter the last stretch of schooling before summer break for our students, I wanted to remind you all of the Safety & Lagging Skills Planning resource that is on the Navigation Guide. Also - I am here if you would like to review any of these or need a consult.

I want to take this opportunity to acknowledge what a fantastic job you are doing right now. Seriously, give yourselves some praise. I know staff stress levels are at an all time high and that we have been short of coverage for everyone who's been sick. If I can help you in any way please feel free to reach out (I truly mean this).

Sincerely,

Sheri Hoyland (she/her/hers)
