Hello Elementary Teachers,

Happy almost summer! It's that time of year to get your math consumables order in.

In an effort to streamline consumable materials ordering for the 2022-2023 school year, we have prepared a spreadsheet for [math only this year](#). Language Arts consumables will be coming with the new adoption. Please work with your team to order materials for your grade level **by Wednesday, June 15th**.

Please read the instructions on the spreadsheet carefully and let me know if you have any questions.
