Dear Elementary Staff,

We are excited to announce that the school board approved the adoption of new language arts curriculum at the board meeting last night! As many of you know, this has been a long journey and we know you're eager to learn more about these exciting new materials. This work was made possible by the extraordinary efforts of our adoption team and pilot teachers. Their time, experience, and commitment was beyond what anyone anticipated. Thank you to each and every one of you! **Each program is linked to informational slides with many more details.**

*We enthusiastically introduce to you:*

**Buena Vista and River Road El Camino del Rio Spanish Immersion Schools:**

[American Reading Company Core](#)

**All other schools:**

[Wit and Wisdom, Foundations, and Geodes Suite](#)

We will continue to keep you informed as professional development calendars are solidified and more resources and opportunities arise.

Wishing you well,

Your Language Arts Adoption Team

Please refer to the email Eric Anderson sent on May 30 regarding the collection process for Journeys and Maravillas materials.

**Principals,**

**Please forward to your staff so all teachers, specialists, and educational assistants are included.**

**Thank you!**
