

Bertha Holt  
Student Technology Agreement

Students will use school devices respectfully:

1. Devices will be handled with care.
2. Students will not alter or disassemble a device
3. Students will not add or remove apps or change settings of their devices.
4. Devices will be stored in a secured place.

Students will use school devices responsibly:

1. Devices will be plugged in at night
2. Students will only use the device assigned to them.
3. Students will follow all directions given by the teacher.
4. Students will visit explicitly allowed.
5. Devices will only be used for academic purposes.

Students will use school devices safely:

1. Students will keep login information confidential
2. Students will not click on untrusted links (ads or pop-up windows.)
3. Students will not take pictures of themselves or classmates unless given teacher approval.

As a student of Holt Elementary, I agree to use school devices in a way that is respectful, responsible, and safe.
