K-12 Classified EAs -

We're excited to announce learning 'Pathways' to choose from for the 2022-23 school year! Feedback from staff has consistently voiced a couple of important points - having *choice* to focus on area(s) that will be most impactful to your work, and the ability to *go deeper* into the subject matter. We've heard you loud and clear and the pathways have been developed as a result. Please **click on the infographic below** for more information AND to sign up for your choices.

*****Principals and All - Please share with your building classified staff. Email lists are always incomplete and it's a priority that all staff are able to respond and**

make selections! Note - Title 1 EAs will have a separate training sequence...more details to come.
