Hi Brynn,

When you say there will be snacks for FULL weeks, does that mean we are not providing snacks on non-full weeks, such as the week of Thanksgiving or the week we have a Workload Reduction Day?

Thank you for the clarification.

Hello,

I am very much overdue in our communications regarding the FFVP offerings. We've struggled to get this program up to a consistent start and I apologize for that.

My hope from here on out we will have offerings for all **full** weeks of school and I will be sending out information the week ahead.

For the week of 11/14 we will be offering local pears and apples, as well as snow peas. Our special featured item will be a fruit called the Cucamelon. I have attached a flyer that can be printed and shared with teachers and/or students. There is information on the Cucamelon as well as the Nutrient of the Week-Vitamin C.

Please let me know what questions you have.

Thank you for your time,
