Hello everyone,

I hope that this school year has been treating you well. We are getting ready for our program this summer and wanted to reach out and let you know some of the details.

This summer we are planning on having 6 locations: 3 for elementary and 3 for middle school. We are hoping to be able to have 2-3 classes per grade level per location with 18-20 students per class.

Dates (based on the new proposed calendar) are

Training & Prep days: July 5, 6, 10, 11, 12

Student days: July 13 - August 11, Monday - Friday.

Attached is the summer positions documents with tons of details.

If you are a current classified employee and interested in working with us again this summer you just need to fill out this interest form. No need to apply through NeoGov.
