Hi Teachers!

Next week, on **Wednesday and Thursday (3/1 & 3/2) between 9am-12pm**, the Lane County Dental Prevention Team will be coming to Holt to provide a second round of fluoride varnish and sealant to students. This will include all students who participated in the first clinic as well as any students who turned in a permission form after that time. The dental team will be making rounds and pulling students directly from your classrooms to receive care.

Please let me know if you have any questions or concerns, and I'll do my best to answer.

Warmly,

Eden Van Bloem, BSN, RN (she/her/hers)  
Nurse for Holt Elementary and Cal Young Middle School
