Hello everyone,

I wanted to be sure and let you know that your building is scheduled for use for a summer program. Please see below for the information specific to your building and let me know if you have questions. I have also included the number of rooms I anticipate needing for SEAL & KITS below.

Please note: for schools that were used last year I tried to find a different site and due to facilities projects I was unable to move. I believe that next year I may be able to use different sites for a few of the regions to give you some relief from summer building use.
