Happy Monday, Team!

We're continuing to make plans for the coming school year and I'd like to share several more changes to our administrator team for 2023–24.

South Eugene High School Athletic Director/Assistant Principal: Jim Moore. Jim has served as principal at Edgewood Elementary School since 2016. He started his teaching and coaching career in 2004 at Sunset High School in Beaverton. He was the head wrestling coach and won three Metro League Championships and had Sunset's first individual state champion since 1975! Jim is committed to fostering an inclusive and positive athletic environment for all students, and is excited to partner with students, staff, coaches, parents and the community.

North Eugene High School Athletic Director/Assistant Principal: Peter Barsotti. Peter has been the principal at Madison Middle School since 2017, just down the road from NEHS. Previously in his education career, Peter served as head boys' soccer coach at Elmira High School and an assistant girls' tennis coach at Marist High School. Moreover, his familiarity with the North region's families and students, many of whom walked Madison's hallways not long ago, will be of great benefit. Peter is passionate about school climate and ensuring that every student, parent, staff member and community member feels safe, welcome and appreciated.

Charlemagne French Immersion Elementary School Principal: Sarah "Poppy" Campbell. Poppy has been assistant principal at Spencer Butte Middle School for the past two years and an elementary school teacher in 4J and Bethel for nearly 10 years. She was raised in a dual-language household (German) and has studied French, Italian and Spanish. She believes that a multilingual experience as a young person helps promote brain development and provides wonderful opportunities for students to be contributing members of vibrant and culturally diverse communities.

Note: Chinese Immersion Elementary and Kennedy Middle have shared a principal for the past two years. Starting next school year, we are adding a position so that each school will have their own administrator.

Kennedy Middle School Principal: Brian Watson. Brian is a veteran middle school educator. He has been the assistant principal at Monroe Middle School for the past ten years and prior to that, a middle teacher in Springfield for a decade. He looks forward to growing a positive climate and culture at Kennedy where staff, students, and community relationships are at the core everything.

Chinese Immersion Elementary School Principal: Jen Hebard. Jen has served as administrator of the Chinese Immersion program since its inception in 2017, most recently as principal at both Kennedy and Chinese Immersion. Jen is a collaborative leader who values relationships with staff and families, and supports the success of students with diverse backgrounds and a wide range of academic and social needs.

Please join me in congratulating Peter, Poppy, Brian and Jen on their new leadership positions.
