Dear Team,

I'm pleased to introduce two new Team Eugene administrators who will be joining us next school year.

North Eugene High School Principal: Nain Muñoz

Nain Muñoz (pronounced "Nine") is a skilled high school administrator. He has served as assistant principal and principal at South Albany High School and principal at Clackamas High School. He previously worked as the community schools coordinator in Redmond School District and started his career in education as a high school English teacher. Through his leadership roles in education and nonprofit organizations, Nain has significant experience developing instructional leadership and inter-scholastic programming, increasing organizational efficiencies, cultivating transformational relationships, and empowering others to be leaders. He believes his bilingual and bicultural perspective gives him the insight needed to build capacity within a diverse population as well. He is excited to be joining North Eugene and learning more about the rich traditions of the Highlander community. He looks forward to serving staff, students and community. Welcome, Nain!

South Eugene High School Principal: Kee Zublin

Kee Zublin (pronounced "Key") is a veteran high school administrator with nearly two decades of experience in education and leadership roles. He has a deep understanding of what it takes to lead a successful high school. Since 2018, Kee has served as director of secondary teaching and learning in neighboring Bethel School District. Prior to his director role, he was principal at Bethel's Willamette and Kalaypuya high schools. He started his education career as a high school math and English teacher. Kee has extensive experience leading schools and developing a positive and productive school culture. He is committed to creating a supportive learning environment that emphasizes rigorous and relevant education for all students, with an amplified focus on our students hailing from historically underserved and excluded communities. Mr. Zublin is enthusiastic about joining the South Eugene community. Welcome, Kee!

Please join me in congratulating Nain and Zee on their new positions, and welcoming them to Team Eugene!

Have a good weekend!

Karen
