Hello All,

Pardon for the error in the links. They should be fixed below (both leading to the same spreadsheet for ordering). Thank you to those that brought it to our attention.

Hope you have a wonderful Tuesday.

Hello Elementary Teachers,

In an effort to streamline consumable materials ordering for the 2023-2024 school year, we have prepared a [spreadsheet](#) for Foundations and IL Classroom (LearnZillion) math orders. All Wit and Wisdom student edition workbooks come automatically with the purchase of the curriculum and will be delivered over the summer.

Please work with your grade level team to order materials for your students **by Friday, May 26th**. One representative from your team should enter information on the form. Please read the directions on the spreadsheet closely and reach out if you have questions.

[Link to Consumable Materials Order Form](#)

### **Foundations Materials -**

Please see the first tab of the spreadsheet for expanded directions and explanations of materials. This is for grades K-3 only. 4th-grade teachers, 5th-grade teachers, and teachers at River Road/El Camino del Rio and Buena Vista do not need to do this portion.

### **IL Classroom (LearnZillion) Materials -**

We have simplified the choices to make the print order as easy as possible.

- a) Class set of workbooks (stapled sets ABC/ABC/ABC & double-sided printing)
- b) None needed. Print on demand using digital PDF

If you are a school that prints in Spanish, we will be reaching out to you individually; however, please check the spreadsheet to make sure we haven't missed you.

Have a wonderful week and if you have any questions, feel free to reach out to our team.
