Greeting All,

I hope this email finds you well. I wanted to address the concerns raised regarding the incorrect display of student and staff locations in Raptor for Emergency Management. I would like to assure you that we are aware of this issue and are actively working towards resolving it. The 4J IT team has been diligently investigating the root cause of this problem and is committed to implementing a fix as soon as possible. We understand the importance of accurate location information for efficient management and safety protocols within our organization. We appreciate your patience and understanding during this process.

If you have any further questions or require additional information, please don't hesitate to reach out to me. Thank you for your cooperation and ongoing support as we work through this issue.

Best regards,

Angi
