Good Morning,

well, here we are! It's (almost) June and the end of the school year is just a few weeks away. Congratulations to you all. It has been a pleasure having the opportunity to work with so many of you, your students, the staff and programs across the district. Thank you for your patience this year and thank you for all your hard work and effort.

Here are a couple of important end of the year items
*******KITS STAY IN YOUR BUILDING*******

1. Feedback:

To provide thoughts and feedback around science, click this link:

The sooner you can get your restock requests in the better. We will do our best to fill orders received by June 9. Orders submitted after June 14 will be filled when staff and materials are available and sent out in the fall. Thank you for understanding. To find guidance around packing up your kit, click this link: [Guidelines for restocking & storing kits for the summer.](#)

3. Live Materials Dispersement:

Please do not release live materials into the wild or send home with students. Reach out if you need further guidance around this.

4. Mystery Science Update:

The district will not be purchasing Mystery Science licenses next year. To learn more about accessing a first-time free account click [HERE](#).

Teachers who would like to continue using the program should talk with their building administrator.

Please reach out if you have any questions,
