

# Do you work in a setting where health promotion takes place?

If so, consider participating in our study!

## WHAT IS THE STUDY ABOUT?

Drs. Nichole Kelly and Elizabeth Budd at the University of Oregon are conducting a study to learn about the specific needs of diversity, equity, and inclusivity (DEI) initiatives in different workplace settings in Oregon. This information will be used to create tailored DEI workplace trainings in places health promotion is occurring.

## EMPLOYMENT SETTINGS INCLUDE:

- Schools
- Medical Facilities
- Childcare Facilities
- Fitness and Recreational Centers
- Local Health Department Settings

### Eligibility Criteria

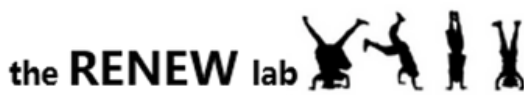

- 18 years or older
- Work in a setting where health promotion takes place
- Work and live in the state of Oregon

### Participation Includes

- Complete one 30-60 minute interview remotely
- Receive a \$25 Amazon gift card for completing the interview
