Happy Friday!

BEST is back at Holt! I am excited for the opportunities the program will be bringing to our students, and for the community we will continue to foster at our school. The program runs from 2:25-5:25 on Monday-Thursday for the students, and the anticipated start date here at Holt is October 2nd. Students will receive a hot meal, additional math and reading support, homework help, SEL and movement time, and daily enrichment programs provided through our community partners.

If you are interested in additional hours working after school as a BEST EA, I encourage you to check out the job posting [HERE](#). The position would be up to 3.5 hours a day, but if you cannot work the entire duration of the program, that is perfectly fine, and you should still apply! If you have any questions, feel free to reach out. The closing date for applications is September 10th.

Additionally, I am also looking for licensed staff who may be interested in being Holt's Academic Coordinator. This position would be for Certified Teachers interested in working closely with the BEST program to compile student data, determine necessary academic interventions, review curriculum and train staff on implementation. The Academic Coordinator would also be expected to attend Data Team meetings and work closely with myself, EAs, and U of O student workers. Since this role brings additional responsibilities, the Academic Coordinator will receive an additional stipend. Please reach out to Christi Nicholson (District After School Program Director) at nicholson_c@4j.lane.edu, Allan, or myself if you are interested.

I am looking forward to working with you all to make this school year the BEST!
