**Subject :** [princi\_elem] 2023-24 EA Pathways - Register Now!

Greetings, 4J EAs -

The 2023-24 edition of [EA Pathways](#) trainings are here! Last year's Pathways received overwhelmingly positive feedback from participants, and we are excited to be back with a new edition. This year's offerings will feature sessions from 7 different groups of presenters, including the return of some of our most popular sessions from last year, and we are confident there will be something for everyone.

**Key Facts for EA Pathways 2023-24**

- Who: All elementary and secondary student-facing EAs working with an instructional or behavioral focus
- Training days: **November 9th, 2023**; February 1st and April 12th, 2024; these dates align with our district-wide grading days
- Times: 8:30 am - 11:30 am
- Locations: Will vary by Pathway; specific locations will be sent out prior to the November 9th training
- Format: Just like last year, participants will choose a pathway prior to the November 9th training and **will remain in that pathway through all three sessions**. This allows for in-depth learning on the chosen topic.

**Helpful links and information:**

- To read about the sessions being offered, please visit the EA Pathways website: <https://sites.google.com/4j.lane.edu/4jclassifiedpathways/home>
- If you have looked over the options and would like to register, please use our registrations form [here](#).
- If you have any questions about the sessions, you can request more information by using [this form](#).

**Teachers and Principals** - We know that our mailing lists are not perfect, with newly hired staff not always immediately added in, so please help ensure that all of the EAs in your building are aware of the Pathways dates and have the information they need to register. We greatly appreciate your support in reaching all of our staff with this opportunity!

If you have any questions, please fill out the form (linked above), and we will get back to you as quickly as we can. Thank you so much, and we look forward to seeing you at EA Pathways in a few weeks!
