

EMERGENCY EXITS

FRONT DOOR

Flip switch (or press button) and push out on the doors.

***** Primary escape route*****

Your school bus will be equipped with many different types of exits.

Please review each type and be familiar with how to open them all.

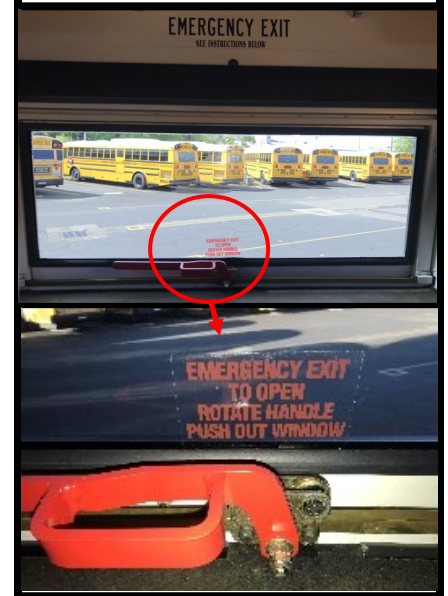

Remember:

The FRONT DOOR should be used unless it is blocked or dangerous to do so.

Don't hesitate to ask the bus driver to demonstrate how to use these exits before your trip.

REAR WINDOW

Use only if front door and side door are blocked. Handles may vary between bus models.

ROOF HATCH

Only used if the bus is on it's side

SIDE WINDOW

Multiple side window exits available on both sides of the bus.

SIDE DOOR

Use if front door is blocked or in addition to front door if necessary
