Hello teams-

The great gingerbread build is almost here! It's so exciting that we have NINE houses being built this year!!

Just a few reminders for the gingerbread build:

1. PLEASE carpool to Katie's house. Parking is tight. Parking on the driveway or grass area is fine, or down the main street a bit at the church is all good as well. Katie's address is 2265 Bailey Hill Road
2. 5:30 is the start time, but it's ok to arrive a bit late or depart as needed.
3. Food and beverage is potluck, but Katie has a good amount of cheese, crackers and snacks, so small quantities to share are fine. Bring a beverage of your choice.
4. If you can transport you team's house to school on **Friday**, that's helpful. If you have a design that is extra large or needs more than 1 board, please plan to transport your own creation to Holt Thursday night or early Friday morning. Remember there are two different styles of houses this year.
5. Remember do not tell your students about your design or which one you made until all classes have voted. Students will vote on **Friday**. Houses must be at Holt no later than 7:30 Friday morning if you are transporting you own. Pictures will be taken of each house and placed on the cabinet for an additional visual help. Plan a few minutes on Friday to bring your class by to place their ticket into the bag of their favorite design. Tickets will come out Thursday or **Friday** to your box. Each student gets 1 ticket to place in the bag of the house that is their favorite design. Remind them it's not to win that house, but just to vote for their favorite. The design with the most votes will be awarded the Children's Choice award and will be announced on Monday so please wait to share with students until after the announcement.
6. Be ready to enjoy, laugh, share supplies and create some fun house for students to win! Also start handing out zaps for students following the school rules! Winners are pulled from the ZAP spinner the last week!
7. **Finally**, if you know colors of frosting you will need (other than white), please send me an email by **Wednesday** so Katie and Melanie can pre-make a few colors. Colors can also be

requested that night, but there may be some wait time since they will be whipping it all up as we go!
