Teachers,

We have two quick updates and reminders for you as you head into Winter Break:

Wit & Wisdom Collaboration Team: Friday (tomorrow) is the last day to [express interest in the Wit & Wisdom Teacher Collaboration Team](#). There were a number of questions raised from my initial email, so we wanted to provide a bit more information.

- When are the sub days? We haven't set the exact calendar yet. The team will meet a total of six times. We hope to bring the team together for our first meeting in mid January with a second meeting a few weeks after that to work on Module 1. We would then set four more meetings across February, March, April, and May to work through our additional modules.
- How much work is there outside the work day? We won't meet outside the work day, but the stipend is provided to pay participants for about 30 hours of work outside the work day. There will be some "homework" based on the work we do in our work groups. This is likely to include projects, readings, or videos related to our work and will not exceed 30 hours over the course of 5 months.
- When will the teams be set? We will be working on reviewing interest and putting together the teams over Winter Break. We will notify everyone who expressed interest in early January.

January 2nd PD Day: As a reminder, all licensed staff have a PD and Planning day on Tuesday, January 2nd. Below are a few details and links for that day:

- Schedule: PD runs from 8:30-1:00 at Gilham Elementary. We intentionally gave extra time to meet at your building sites and carpool as there is limited parking at Gilham. Sessions will start promptly at 8:30, so please arrive by 8:20ish to ensure you have time to park and find your first session. You have lunch on your own and travel time back to your building from 1-2 and uninterrupted planning time from 2-4pm.
- Room Numbers: We have added session room numbers to the [session information document](#). We will have building maps and signage to help direct you when you arrive.
- Registration Information: If you have already registered, you will receive an email from Cognito a few days before the event reminding you of your sessions. It may land in your junk folder, so please be on the lookout for it. Please make sure to document your sessions as we won't be able to tell you your personal session plan on the day of the event. If you haven't signed up yet, please [use the link here to register](#). There will be

sign in sheets for each session and an opportunity to provide feedback at the end of the event.

- Counselors, SPED teachers, ELD teachers, CI & YG Immersion teachers - you all have different PD that day with your team. Please see their emails for more information about where to go.

Wishing you a restful and peaceful winter break. We look forward to seeing you in the New Year!
