Good Afternoon!

This email is to inform you that I have accepted a new position with the Beaverton School District, where I will work alongside Kari Skinner in Public Safety. This decision comes after careful consideration, and I am excited about the opportunities and challenges ahead. My last day will be January 25th.

My time at 4J has been an enriching experience, primarily due to the meaningful relationships I have had the privilege of building with you. I express my deepest gratitude for our collaboration in establishing the Suicide Prevention, Behavioral Safety, Prevention, and Risk Management programs. Getting to know many of you through these programs has been a highlight of my time in 4J.

Please continue to submit any risk questions or concerns during this transition here, risk@4j.lane.edu. Human Resources Director, Brooke Wagner, oversees Risk and will be working closely with Eugenia Gonzalez, Risk Program Manager, and Scott Asbury, Risk Program Coordinator, to continue to support the district. Additional information will be shared later this month, as I work together with my team and Brooke on a transition plan.

I look forward to crossing paths in the future and continuing to celebrate our positive impact on students' lives.

With gratitude,

Angi Meyer
