To : holt cert <holt_cert@4j.lane.edu>

Hello,

We will be having fluoride and sealant clinics at Holt Elementary next Thursday (2/29) and Friday (3/1). The staff is planning on starting these clinics around 9am, aiming to be complete at 1:30pm. Currently, 273 permission slips have been turned-in by students to participate in these clinics. If a student is receiving fluoride this should take around a minute and if they are receiving sealants this should take around 15 minutes. A staff member will be coming to each class to pull students out who have permission slips signed.

Please let me know if there are any questions!

Thank you in advance,

Hannah Green, BSN, RN
Bertha Holt Elementary/ Cal Young Middle School
