ESOL and DL Scholarship for Teachers

Oregon State University

OSU will support licensed teachers interested in earning their ESOL Endorsement and/or Dual Language Specialization. **All tuition costs will be covered by grant funds.**

This program provides you the opportunity to take a leadership role and make a positive difference in the lives of emergent bilingual students.

Current in-service and pre-service teachers are eligible to earn their ESOL endorsement and/or Dual Language Specialization. As TEAMS participants, you will all learn together as a group, referred to as a TEAMS Cohort. TEAMS is "Teachers Educating All Multilingual Students."

All courses are fully online. These courses focus on the professional development needs of licensed educators who are teaching English Learners and bilingual students. OSU's online model allows current teachers from across the state to fit the coursework into their professional lives.

Program Dates: June 2024 – December 2026 (TEAMS members take one course per academic term. Exceptions may apply)

Bilingual Educators: Before you apply, make sure you meet the following requirements. To be eligible for the Dual Language scholarship, teachers must:
