Hey Allan!

I wanted to run an idea by you to see if you might be interested. We have our event called Over the Edge coming up on June 15. I was wondering if you/Holt would be up for challenging another school to raise money to send either principals or another staff member(s) to rappel down the Hyatt at Oakway.

We are trying to get teams and some friendly competition going between places. Since we work to help kids and the event is a family friendly event, I thought engaging schools might be good.

Here is a link to our promo video to give you an idea of the event: <https://vimeo.com/935514750?share=copy>

Let me know if you have any questions! I'll see you next week!
