To : admin super <admin_super@4j.lane.edu>

Happy Friday Team,

I have some news to share about a few more administrative changes for the 2024-25 school year.

Travis Sheaffer has been named principal at Kennedy Middle. Travis will be replacing Laura Clark who accepted a principal position in her hometown of Cottage Grove. For the past four years, Travis has served as North Eugene High's assistant principal. Before shifting gears to work as an administrator, Travis was a K-12 music teacher with a focus on middle school. For four years prior to being AP at North Eugene, he was director of the Kelly Middle School and North Eugene band programs. Travis is looking forward to returning to the middle school level. He is creative, innovative, and takes an optimistic approach to the challenges facing a school community. His strong interpersonal and communication skills, passion for instructional improvement, and the desire to lead teachers and students to positive outcomes will benefit the Kennedy community.

Adrienne Pierce has been named Assistant Principal at North Eugene High. For the past two years, Adrienne has worked at the district-level as a curriculum administrator. This past year, she focused on secondary curriculum and MTSS. Previously, she served as assistant principal at Guy Lee Dual Immersion Elementary in Springfield. She started her education career as a French teacher at Roosevelt Middle, Sheldon High, and Charlemagne French Immersion Elementary. Adrienne aims to foster an educational environment where student, staff and family voice is valued and encouraged. Her desire to model warm commanding leadership, team building, and clear communication will be a great addition to North Eugene.

Denisa Taylor will be retiring after working in our district since 1996! Denisa has served the district as principal at Twin Oaks Elementary since 2018 and principal at Chávez Elementary for more than a decade. We will miss Denisa's dedication to fully serving a diverse and at-risk student population, her strong background in special education, and her unwavering dedication to students and families that has served 4J students and families so well over the past 28 years. Thank you, Denisa, for your years of service to our community's children.

Stephanie Randall has been selected to serve at Twin Oaks principal. Stephanie has been the principal at Buena Vista Spanish Immersion Elementary since 2021. Prior to BV, she served as assistant principal at Gilham and Willagillespie elementary schools and . She is a fluent Spanish speaker and an experienced elementary administrator and teacher. She embraces her role as a leader of learning, is skilled at using data to improve classroom instruction, understands schools in the context of their communities, and is both reflective and intentional with her practice. Stephanie has both the skills and the heart to lead the next chapter at Twin Oaks.

The process for filling the Buena Vista principal position and the secondary curriculum administrator opening will begin soon.

Please join me in congratulating our colleagues on their new opportunities and wishing Denisa good health and lots of fun in retirement.

Kindly,
Jen
