Earth Day is Monday, April 22nd!
Student Council would like to invite you to help clean up the school to celebrate.
They had a great idea to have classrooms sign up for different areas of the school to clean.

I have grippers that can be used for picking up trash or kids can use gloves.

So... If you would like to clean our school on Earth Day, please use the [GOOGLE SIGN UP SHEET](#) to pick a spot.
Feel free to add anything you would like to the Google doc. I just tried to think of spots that could use cleaning.
This could also be a fun buddy activity!
