If you are a 4J Teacher or Administrator receiving this email, please ensure that your EAs have received this communication. In particular, please check in with any EAs newly hired in February or March as they will not be registered for a session and are less likely to be on the mailing lists. Thank you for your support of EA Pathways!

Greetings, 4J EAs -

Welcome back from Spring Break! The third and final installment of our EA Pathways training for this year will be taking place **next Friday, April 12th, from 8:30am -11:30am!**

The vast majority of you have attended at least one of the previous two sessions, but as a reminder: EA Pathways is designed as a three-session, continuous training series where participants get an opportunity to dig deep into a topic of their choice. Because the trainings are designed as a series, and this is the final installment, **all participants should plan to attend the session they are already registered for.**

If you have **not** already registered, you may want to consider the location of each session in making your final registration decisions.

As a reminder, these are our EA Pathways. As of now, locations for all pathways are the same as they were for the first two sessions:

Pathway 1: Conscious Discipline: Sheldon High School, Room C-9

Pathway 2: Specialized Support for Students with Significant Needs (Life Skills): Arts and Technology Academy (ATA), Library and Cafeteria

Pathway 3: Empowering Students Through Assistive Technology: Arts and Technology Academy (ATA), STEM Lab

Pathway 4: This is Your Brain on Education: How Neuroscience has Changed the Way We Teach: Roosevelt Middle School, Cafeteria

Pathway 5: Trauma and Resilience from a Native Lens: Monroe Middle School, Cafeteria

Pathway 6: Providing Additional Individual Behavior Supports: Monroe Middle School, Library

Pathway 7: Promoting Equitable Educational Practices: Roosevelt Middle School, Classroom A4

If you are new to 4J and are not yet registered for a pathway, you will need to register for a training prior to April 12th.

Pathway 1: Conscious Discipline, and Pathways 6: Additional Behavior Supports are both at or beyond capacity and cannot accept any more new registrations. However, Pathways 3, 4, 5, and 7 are still available!

Feel free to go to our EA Pathways Website via the link below to read up about each of the available sessions, and then be sure to fill out the registration form (also linked below).
