Hi Eveyrone,

For staff not at today's Stand-Up Staff Meeting, Rebecca Boyd was hired as Holt's Assistant Principal for next year.

Rebecca is currently the Instructional Coach at Gilham, and before that was a 4J Staff Development Specialist (Holt was one of her schools, but please don't hold PLCs against her), was a kindergarten teacher at Spring Creek, taught 1st, and 2nd grade in North Carolina, and before that taught kindergarten at River Road here in Eugene. Rebecca is also a National Board Certified Teacher, which means she's a way better teacher than I ever was. Please welcome Rebecca to Team Holt!

You can read more about her below in a message the Communicaitons Dept. gave me that I will be send to families soon, but I wanted to let you know first.

Enjoy your weekend!

Allan
