Holt Bolt Prize distribution plan:

These next two weeks are going to go by fast and we have a lot of prizes to get handed out.

**Raffle tickets & prize drawing:**

Because we had a hard time tracking the # of pledges, we gave each student a ticket for every lap they ran to make up for any missed pledge tickets.

Every student who earned raffle tickets has a bag assigned to them. Students **DO NOT** need to write their name on the tickets. Each grade has been assigned a different color of raffle tickets and we have a master spreadsheet that has already matched the numbers on the tickets to every student who earned raffle tickets.

Raffle boxes will be in the library Monday and Tuesday (6/3 and 6/4). Each box has a picture of the prize that the box coordinates to. There will be a special section for the drawing by grade to be a participant in turning Mr. Chinn into an ice cream sundae. Please find a time to take your class to the library and get those tickets turned in.

To save time, the drawing for prizes will be done Wednesday (6/5) and then 8am on Thursday (6/6), we will announce the winners via virtual announcements. As we make the announcements, Mrs. Reich's self managers will help deliver prizes to the winners in their classrooms to help streamline the delivery process.

**Cutting Mr. Chinn's tie - Monday 6/3**

This will be done during each grade's Lunch, up on stage in the cafeteria.

**Breakfast with Mr. Chinn - Tuesday 6/4**

8am in the cafeteria: Breakfast with Mr. Chinn.

Students who chose breakfast with Mr. Chinn as their individual fundraising prize will be sent a note and a kids menu to iHop. We will be pre-ordering food for the kids and bringing it to the cafeteria to serve.

**Extra field day activity - Tuesday 6/11**

After field day, as we get ready to head back to class, kids will be able to play the carnival "draw a duck" game. If a student draws a winning duck, they can select a prize from our prize table on their way back to class.

**Turning Mr. Chinn into an Ice Cream Sundae - Wednesday 6/1**

8:10 assembly on Wednesday 6/12 out on hard play. Kids who are drawn as winners on Thursday (6/6) to participate will be asked to report to hard play after checking in with their teacher so we can get them set up for the fun event.
