STEP INTO AN EXCITING FUTURE

World of Work is a comprehensive program for young adults who want to enter the workforce.

This dynamic program teaches workforce readiness via hands-on classroom learning and provides real-life work experiences for young adults through community-based internships.

The program includes an assessment of the participant's strengths, interests and abilities.

Supportive, one-on-one job coaching throughout the program helps ensure participants meet their goals and have more successful employment outcomes.

For more information, contact Celsey Dawson, The Arc Lane County World of Work associate director, at 458-215-4262 or celsey.dawson@arclane.org.
