

Lane County Virtual Transition Information Night

Wednesday, March 3, 2021

6:00 pm to 7:15 pm

Students and Families are invited to explore services in Lane County for individuals who experience developmental disabilities. This event will introduce providers who can begin supporting students while they are in school and continue supporting after leaving school services. This unique event will use allow students and families to meet one-on-one with providers in virtual meeting rooms.

Lane County Developmental Disability Programs and Brokerages

The March 3rd event will feature providers that specialized in the following supports:

Employment: Job Exploration, Job Development, Pre-Employment Transition Services, Benefits Counseling

Independent Living Supports: Day Service Activities, Independent Living, Community Engagement

Family Supports: Transition Navigation, Technology Supports, Continuing Education

And More!
