Class Discussion

How would you best describe how to deal with conflict with the following people?

- Family Members
- Friends/Peers
- Teachers/Principal • Coaches

Cornell Notes

EQ: What are the characteristics of the 5 most common types of conflict management styles?

Groupwork

1. Talk about the 5 types of conflict management styles
2. Take notes on thoughts/observations of each style - Do not copy the handout!

Brainstorm a realistic conflict between a student and the assigned group and develop a role-play that depicts the resolution of that conflict using the assigned conflict management style.

- Group 1: Competing, Family Members
- Group 2: Avoiding, Friends/Peers
- Group 3: Collaborating, Teachers/Principal
- Group 4: Competing, Coaches
- Group 5: Compromising, Family Members
- Group 6: Accommodating, Friends/Peers
