

# *AVVD 10/22/19*

Essential Question: How can we learn to tie a tie?

CW: Mock Tutorial

HW: One page of focus notes

# *Agenda*

1. Fill out Expo Passports
2. Collaborative Inquiry
3. Tutorial Reflections

*Industry professionals will be expecting you to dress professionally, approach them, shake hands, introduce yourself and then ask a relevant question*

Turn and talk to a partner

Brainstorm 2-3 relevant questions that you could ask.

What questions could you ask at the career expo?

**Collaborate!**

**What questions could you ask at the career expo?**

# Passports

At the Career Exploration, you are expected to engage with 6-10 industry partners, after asking them one/more questions you will request that they stamp your passport to indicate that you professionally engaged with them.

The first two questions are filled in as samples - complete the remaining 8 blank page with questions you might ask.

## Three-Column Notes

*Directions:* Group members take three-column notes on their own paper for each student presenter's questions during the tutorial process.

Point of Confusion Question	Tutorial Notes	Steps (Math/Science) Process (LA/History)

# HOW TO PRESENT A QUESTION

1. Write the problem neatly on the whiteboard.
2. Face the group members.
3. Read the question out loud to the group.
4. Explain any prior knowledge and what you already understand about the question.
5. Explain what strategies you used in attempting to answer the question.
6. Indicate to your group *exactly* where you became confused as you worked to answer this question.

# *Directions*

1. The following website has directions for tying a tie
2. Each person should choose the knot they want to tie
3. One student begins by writing question on the board
4. Students help solve the problem by asking questions and helping presenter learn to tie their knot
5. Take picture with tie!
6. Each student should learn a knot
