# All about me!

These are pictures from when I was 3 and 2. I was 2 in the left picture and it was winter time in Eugene. My mom put me very far away from the fire because it was a huge bonfire.

I am now 12 years old and I went to Willagillespie for elementary school. I do gymnastics and I am a level 7 gymnast. I love to play with my dog and I enjoy playing with any animal.

# Pets

These are my pets that I have had. On the left is a dog that looks exactly like mine. It is a golden doodle and it's name is Bo. My other pets are Sammy and Bella. Bella is the cat but she sadly died. My other dog sammy is still alive and that was when he was a puppy.

# Favorites

One of my favorite things to do is go outside and do something. When I went to Arizona this past summer I hiked Camelback mountain, the picture above is what I hiked. I also enjoy going to Sunriver and snowboarding on Mt. Bachelor or go and play football in the fields.

# FOOD!

One Of my favorite foods of all time is my Grandma's cheese soup she makes every halloween. I also really like Sour Patch Kids when I get to have candy. But the best food of all time is a cheese quesadilla because it is crispy with a little gooey flavor.

# Board Games

One board game i really like is the game of LIFE. I like it because it takes a decent amount of time and it is not to short and not to long, like Monopoly. I also enjoy how you can take two different paths.

Candyland is a very old classic game and it is very fun. I really enjoy it because I always beat my mom and then I want to play again.

# Hobbies

Greatness is a Choice.

Just do it.

EXCUSES**

# Reading

One of my favorite books is Never Fall Down by Patricia McCormick. It is about a boy named Arn that got separated by his family by the Khmer Rouge. This book is based of a true story.

One of the classics in book series is Harry Potter. It is a very good book because it is not real which means we won't get hurt by the whomping willow and he goes on many action packed adventures.

# Electronics

One of my favorite things to do is play on my phone. I like going on Youtube and play games like Madden Mobile.

I also enjoy playing on the ps4 and the ps3. I like playing NCAA and Madden, Season mode is fun because you get to create your own character.----->

# Jobs

One of my dream jobs would to be a firefighter. I think that the thought of that you an save someone's life is very cool. I also think that a job as a firefighter would pay well, also you could speed through the streets going 80 and above.

# College

I also would really like to go to Michigan for college. Michigan has a very good gymnastics program and very cool wildlife.

I would really like to go to Stanford because they have a really good gymnastics program. I would also like to go there because they have a really nice campus and a very high level education.
