

Oliver, Nolan, Jerry, and Caleb

Real Life Three-Point Contest

In this StopMotion we will be doing a real life three-point contest. It will be Jerry.vs.Nolan.vs.Oliver.vs.Caleb. We will put the tripod in the corner and take the pictures from there. Each person will start at the half court line and dribble up and shoot a three. Each person will shoot five shots and then we will have a winner. When each person shoots we will spam the picture button then go through and delete the blurry and unnecessary photos.
