8th Grade Promotion - Planning is Underway

It's hard to believe but the planning process for 8th grade party is already underway. We had our last parent meeting on April 1st.

It's not too late to join!

If you want to participate, it's not too late to jump-in on the fun. The parent planning committee will be meeting next on Tues., May 6th. We meet in the school library. Please feel free to join us at any time.

Where are we?

We are in the process of collecting decorations, prizes, food and capital.

As a committee, we compiled a list of theme ideas, which the 8th grade students voted for their favorite. The final theme will remain a secret until it is revealed at the after-party.

The Choices Were:

- Mardi Gras
- Under the Sea
- Around the World

Do you have connections?

We have already begun collecting food and prize donations. If you can support our efforts in anyway, we would greatly appreciate it. If you have decorations, donations monetary or otherwise, you can contact our committee chair, Heather Notenboom.

Important Details :

As you may or may not know, the planning of the 8th grade promotion after-party and day trip is **100% dependent on the parents to organize, produce and fund.** Rather than do a mass amount of fundraising to earn the cash needed, as a committee, we have elected to charge a small fee to each 8th grade student, which will cover the cost of producing the after-party. The amount we have determined for each student to cover the cost of the after-party is

\$10.00 (for food, prizes decorations, games entertainment, etc.).

Please be sure to send \$10.00 cash/check with your student to school no later than Friday April 28th, 2014.

We recognize some households may not be able to give the \$10.00, but we also recognize some households can give more. Please submit what you can. Any donations above and beyond the \$10.00 will also be greatly

appreciated. If we do not meet the amount needed, fundraising for the remainder may be needed.

Day Trip:

Please keep in mind, \$10.00 will only cover the cost of the promotion party and will not cover the cost of our day trip. The details of our day trip have not been determined yet, so a cost per student has not been defined. In the years past, the cost of the day trip has been somewhere around \$25.00 per student.

**Day Trip to Oaks Park
Date: Tuesday, June 17th**
