

# How to Recycle at Churchill

by RC Environmental  
Leadership Students

# Why Recycle?

- Recycling saves energy, trees, water and more!
- Recycling reduces pollution!
- Recycling creates jobs!

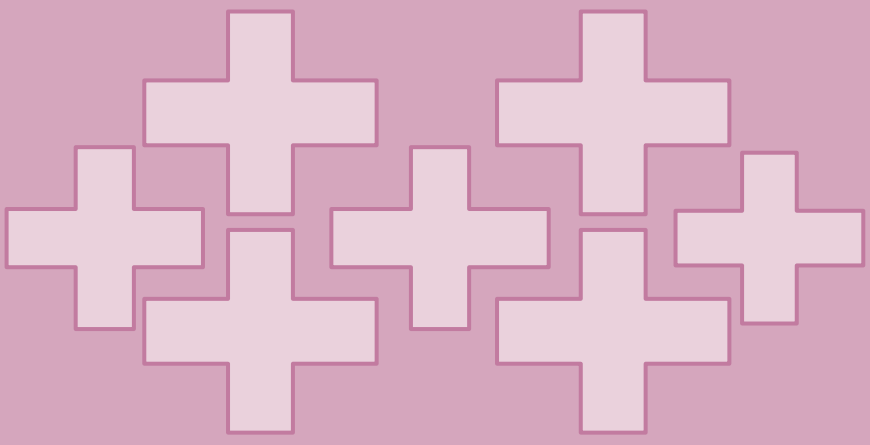

## YES

- Plastic drink bottles
- Glass bottles (keep separate)
- Loose paper
- Cardboard
- All aluminum and metal containers

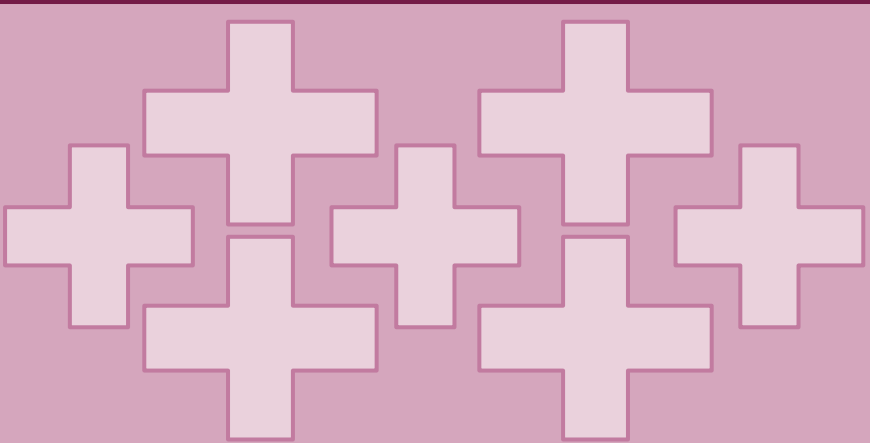

# What is recyclable at Churchill ?

## NO

- Clamshell containers
- Dirty pizza boxes
- Small milk cartons
- Juice boxes
- Drink cups
- Drink lids

## ***BIGGEST* problems**

These are ALL TRASH but are often found in our recycling-

- Dutch Bros / Starbucks cups
- Tissues
- Milk cartons
- Unrinsed drink containers
- Food wrappers

# Activity

- Look at the object we hold up
- Discuss if it is recyclable at Churchill or not
- Report out!
