**Instructions** [Create New Session](#)

This page contains a record of test sessions that are no longer active. A test session is moved to this tab when the End Date of the session has passed. You can re-open a past session by clicking the [Re-Open] button next to the session's name.

Sort Column By

Manage	Session Name	Session ID	Started On	End Date	Completed Tests/Students	Session Status	Details
<a href="#">Re-open</a>	Mrs Myers	Hoch-16806	12/15/2008	12/18/2008	0/0	closed	<a href="#">Go</a>
<a href="#">Re-open</a>	Mrs Smith	Hoch-16807	12/4/2008	12/4/2008	0/0	closed	<a href="#">Go</a>

5. An orange pop-up window should appear.
6. You can see the student's test results.
7. To print the report, click on the printer icon in the upper right corner under the word "Close."

**Instructions**

This table displays information on every student test across your selected session. Because each row represents a single test opportunity, a student may be listed more than once on this page

Note: For a test status other than "scored" or "completed", a score may still be displayed. This indicates that a test may have been scored to follow certain administration procedures. This includes expired tests with the minimum number of questions answered.
