

4J Summer

Reading Challenge

Dear Families,

Great news, summer is here and we have two fantastic ways for students to keep reading over summer and even earn a chance to win prizes. The best part is all their minutes can count toward both challenges!

Summer Read-athlon

We are excited to be partnering with the World Athletics Championships Youth Program (WCH) to encourage students to read all summer long! Join the **Summer Read-a-thon** happening from now until June 30th by reading ten minutes a day to be entered into a drawing for a chance to win tickets to the World Track and Field Championships at Hayward Field! Log your reading minutes in Beanstack (access via Clever), on paper or print out the WCH Reading Track Map.

Resources and information at <https://bit.ly/WCHSummerReadathon22>.

4J's Stay on Track Summer Reading Challenge

The Eugene Education Foundation has partnered with 4J to award the top six schools with the most minutes read new books for their school library and the top twenty students with the most minutes read will earn books for their classroom's library. Keep reading at least ten minutes a day throughout the summer and track minutes in Beanstack (K-5 only) or print out a log at ([bit.ly](https://bit.ly/4JStayOnTrack) URL to printable reading log) to turn in at the start of the next school year. Individual school goals will be posted in Beanstack.

Looking for ways to keep reading? Access ebooks and audiobooks all summer long in **Sora**, our District Digital Library. There are thousands of great books available 24/7 to readers of all ages and levels. Learn how to access this collection by watching this video at <https://bit.ly/4JSoralogintour>.

Below are links and resources that may be helpful. Join the summer fun and keep reading all summer!

Happy reading!
