## JUNE 24-28, 2024

Hosted annually by Eugene Springfield Fire, the Young Women's Fire Camp is free to participants and provides an exciting opportunity for personal growth and exploration of the field.

This unique camp instills self-confidence, teamwork, and leadership by utilizing fire service activities as a catalyst for this growth. Our curriculum is dynamic and physically challenging, but exceptionally rewarding for participants. During the camp you will be issued firefighting gear and participate in activities related to the fire service, emergency medical services, and other fields.

This is a week-long day camp, open to all female-identifying youth, who are between the ages of 15-19 years old.

Camp participants can apply for entry by submitting a completed application. We are only able to accept 16 participants annually, so it is important that you fully complete the application and supplemental paperwork.

**Applications are due no later than May 1<sup>st</sup>, 2024.**
