

# EUGENE BUILDERS EXCHANGE TRADE SCHOLARSHIP APPLICATION

**The Eugene Builders Exchange (EBE)** is a membership driven organization that works hand in hand with general contractors, subcontractors, suppliers, and manufacturers in the construction industry. For almost 75 years we have kept the construction pipeline open for our members to view and submit competitive bids. Available projects that come through our exchange each year are valued in the billions of dollars.

We also offer added benefits to our members that give them an edge over their competition. We have a full-service print, copy, and scan center that delivers state-of-the-art professional copies and digital scans, in both either full color and black/white. Whether it be through technology or construction opportunities, we strive to be the best there is.

In an effort to help keep the trades alive, EBE likes to give back. One way of doing so is giving out scholarships to those entering the trades. EBE intends to award five \$1,000 scholarships to students attending some form of trade school, whether they be new enrollments, or continuing their education.

about the Eugene Builders Exchange

**ESTABLISHED IN  
1950****SERVING ALL OF  
OREGON**

## **BUILDING OUR WAY TO A BETTER TOMORROW**

For almost 75 years we have served the greater Eugene/Springfield area and beyond. Some of our membership even reaches other states. Our goal is to give our members all the resources they need to not only be successful in their business, but also successful in the bidding process, networking and the ability to build a better tomorrow.

Our mission and goal is simple: Provide statewide opportunities for our members to bid on projects. We collect projects from multiple resources and bring them to a one-stop-shop. We work hand in hand with state, county, city, school districts, architects, engineers, owners and contractors to bring as many opportunities as we can for our members.

### **ELIGIBILITY**

**This application is for:**

- Students entering an apprenticeship or trade at any participating college or trade school in the state of Oregon.
- Students currently enrolled in an apprenticeship or trade program at any participating college or trade school in the state of Oregon.
- **Participating institutions may be universities, community colleges or trade schools with a verifiable degree and/or certification program for a trade.**
- **Scholarships will apply to the term immediately following the date of the award.**
- **Money will be paid out to the selected student upon confirmation of enrollment in program or school.**
