Hi everyone,

You will be receiving 5-6 medication lockboxes (they look like cash boxes) in the district mail. These are to be delivered to your school counselors, admin, or are for you to have in the office to hand out to a family that would like to securely store medication. I have a few extra if your school ends up needing more.

If anyone asks about the handgun or rifle lockboxes, you can direct them to Del Quest with Lane County Public Health del.quest@lanecountyor.gov. She will add them to her list for notification when the order comes in. The county is currently experiencing supply chain delays with this order.

Here to serve,
Angi
